

"BOYS" OF 1871- IN SECRET SESSION

K. F. R. Holds Forty-sixth Annual Reunion at Rauscher's.

FOURTEEN RENEW VOWS

Bearded Business Men and Bronzed Officers Pay Tribute to Dead.

Mysterious signs, symbols, and secrets of the K. F. R. were passed at the forty-sixth annual reunion of the society at Rauscher's last night.

Fourteen men, prominent in the affairs of Washington, many of them known throughout the nation, renewed the vows taken by a group of six boys in a little "shanty" on the White House grounds in the days of President Grant.

Loving Cup Passed.
Bearded business men, and bronzed officers of the army and navy rose and passed a loving cup in memory of the members who have passed into a higher fraternity.

Major Pierre L. Stevens, U. S. A., retired, presided at the reunion last night, and introduced Gist Blair and Henry E. Davis, who made what the "boys" are pleased to call their "set speeches."

Reminiscences of Washington five decades ago were interspersed with constructive ideas of the improvement of Washington institutions and the betterment of social Washington today.

Organized in 1871.
The K. F. R.—and that's a secret—was organized in 1871, when six youngsters gathered in a little play house that had been erected on the White House grounds for Jesse Grant, son of the President. In addition to the son of the White House were Frank Bolles, now dead, at one time secretary of Harvard; Ensign C. Dent, who died last October, and Walter Chew, Henry M. Cutts, and Albion K. Parris, of Washington.

No New Members.
Then the rolls were closed, and in the following three decades no members have been added. Twenty-eight of the seventy-six are still living, of whom twenty live in Washington or its suburbs. The others are scattered throughout the land and sea, but all of them remember the annual meeting on the third Thursday of January every year, and none fails to send a letter or telegram to be read on this occasion.

The activities of the society have been many and varied. Organized merely as a result of the desire of boys to have a secret society, it soon included debating, social and charitable work and vigilance for cruelty to animals among its lines of endeavor.

But despite its variance in activities, it has never lost its identity as

Well-Known Washington Man Says Plant Juice Has Made a New Man of Him.

It is always interesting to listen to statements of our friends, especially when we know that they are sincere and honest in what they say. Added interest is created in a statement coming from one who has spent a

Lifetime in the employ of a corporation and is possessed of the respect and confidence of his friends and associates.

Such a man is Mr. James C. Hughey, of No. 714 7th street S. W., who is a popular conductor in the employ of the Washington Street Railway Company, and has hosts of friends in this city. He stated:

"I have been troubled with my stomach for some time, which was brought on by irregular eating. I could not retain any solid food in my stomach, and was badly bloated with gas and in constant pain. I suffered greatly with headaches and would have dizzy spells, caused by a deranged liver; my kidneys were affected, and I had terrible pains in the small of my back. I was constipated, and my whole system was run down. I had tried all kinds of different medicines, but never got any permanent relief until I started to take your Plant Juice. Two bottles have done the work for me, and I can now eat anything I want. I sleep well, have no more trouble with gas or constipation. I am feeling fine and give all credit to Plant Juice, as it has made a new man of me."

The Plant Juice Man is at the People's Drug Store, corner of 7th and E streets N. W., where he is daily meeting the local public, and introducing and explaining the merits of this remedy.

On Saturday he will remain at the store until 10 p. m. to meet those who are unable to call during the day.—Adv.

In submitting his tenth annual report to the board of police commissioners, Chief of Police Goods suggests the opening of a "training school," which would have an atmosphere of home influence as a solution of the juvenile offender problem with which the police of the city are confronted. He called attention to the need of a police call system, an automobile patrol, and the addition of a motorcycle for emergency calls. The report gives the number of arrests for the past year as 1,232. A total of 1,248 lodgers were cared for during

the twelve months. Stolen and lost property to the value of \$6,404.80 was reported, of which the department recovered property to the value of \$3,738.05.

Funeral services for Millard Filmore Peyton, who died in Washington Wednesday, will be held at the residence of his son, Wilbur Peyton, 1923 Duke street, this afternoon at 3 o'clock. The deceased is survived by his wife, son, and daughter. He was employed in the Navy Yard machine shops in Washington for over thirty years and was sixty-two years old.

Susie E. Mahone, aged about seventy-five, died at the Alexandria Hospital last night. Funeral services will be held Sunday afternoon at 3 o'clock from Demaine & Son's.

Gen. Robert E. Lee's birthday anniversary is being observed today. The schools, banks, postoffice, and public buildings are closed. A banquet by R. E. Lee Camp, United Confederate Veterans, will be held this evening in Lee Camp hall. Senator John H. Bankhead of Alabama, Senator J. C. W. Beckham of Kentucky, and Congressman A. W. Estep of Louisiana will deliver addresses.

NO INCREASE FOR STORAGE.
The Interstate Commerce Commission today knocked out all proposed increased charges for storage of grain in elevators and cars at Atlantic ports, awaiting export. The increases have been bitterly attacked by the Baltimore Chamber of Commerce, Philadelphia Commercial Exchange, and other commercial bodies of Atlantic ports.
